From The Principal

We have made it to Christmas Break! We have had a great first half of the year and I am looking forward to an even better second half. Our teachers and staff have worked hard and I am extremely grateful and proud of the progress that we have made and will continue to make as we progress through the rest of the school year. Our teachers also have been involved in Mrs. Linkel's professional development activities on effective instructional strategies and are excited about implementing these best practices in the classroom.

After break, we will be implementing a student incentive where students can earn tickets that will be placed into a box to be drawn every couple of weeks for various prizes. There will be grand prize drawings at the end of each nine weeks. There will be more information coming out on this program very soon.

Athletics

Our Winter Sports are in full swing now, and all of our teams are off to great starts! The Varsity Girls Basketball team is off to a 10-2 start and the JV Girls are 11-1! The Varsity Boys and JV Boys are both 3-2. The Boys and Girls Swim teams are both off to great starts and have already seen records broken! The High School Wrestling team may be small in numbers, but the 6 member team has dominated their competition thus far with very few individual matches lost!

I hope everyone has a great Christmas break and a wonderful new year along with spending quality time with family and friends. Go Pacers!

As always, please do not hesitate to reach out to me with any questions or concerns.

Jason L. Cheek
Principal
