## Drug Testing Consent

This is to certify that my child agrees to participate in the Student Drug Testing Program as outlined in the Switzerland County Board of Education Student Drug Testing Policy.

My child and I have received the **2018-2019** Switzerland County School Corporation Extra-Curricular Activities and Student Driver Drug Testing Policy and have read and understand it. We understand that any high school student interested in taking part in a school-sponsored extra-curricular activity within the Switzerland County School System must agree to participate in a drug-testing program that includes random testing during the school year.

My child and I are also aware that we can review the Switzerland County School Corporation Extra-Curricular Activities and Student Driver Drug Testing Policy in the student handbook at any time online at [www.switzsc.org](http://www.switzsc.org). (Page 23)

My child and I understand that students will not be allowed to participate in school-sponsored extra-curricular activities, including parking a vehicle on school property, if this consent form is not signed and submitted to be kept on file during the current school year. **(Consent form must be renewed annually.)**

My child and I also understand and agree that students who are 18 years old or will turn 18 years old during the school year hereby give permission to release all test results to his or her parent or legal guardian.
