Backpacks are necessary for getting papers and books home, especially since students will have reading homework every evening. Students do not need rulers or small pencil sharpeners. These become play items. Other handy items are lip balms (with names written on them) for students to keep in their boxes and a sweatshirt to keep in their lockers since some air conditioned rooms are chilly.

Please check throughout the year to see if your child needs more pencils, glue, etc.

Thank you,
First Grade Teachers
