E-Learning Day

Our next e-Learning Day will be on Wednesday January 24th. On this day students from grades 3-6 will be able to stay home and work on their school work. Grades pre-k-2 will still report to school as usual.

Information concerning e-Learning Days:

We have added these days throughout the school calendar to provide students a different way/approach to learning. With these practices, we are going to be able to use PMDs (Possible Makeup Days) due to inclement weather so we do not have to come and make up so many days if we miss. Stay tuned for more information!

PLEASE keep in mind attendance. If your child needs to be absent make sure to call, send a note, and know where you stand with parent and doctor notes. Attendance is important.
