

JC Current News Events

Kindergarten Registration

Jefferson Craig's Kindergarten Registration will be Tuesday, **March 7, from 9am to 5pm.**

VERY IMPORTANT: You need to register online. You can find the link for time slots on the Jefferson Craig Facebook page. For safety, we are trying to limit the number of people in the gym at any given time.

Here are a few items we are asking you to bring along with your child:

⇒ **County issued birth certificate**

⇒ **Updated shot records**

For more information please call Jeff-Craig at 427-2170.

We look forward to partnering with you and your child!

IREAD Testing

This year IREAD testing for our 3rd grade will take place the week of March 6.

PLEASE remember this week when planning appointments. IREAD is a state mandated test that covers foundational reading standards, which a 3rd grade student should know to be able to read. Reading is a core part of third grade. When scores come in, the school will notify parents of the results. If any student struggles, we will provide extra support during the school day until students can retake the test again in the summer.

In addition, 2nd grade will have the chance to see what they can do on the IREAD test the week of March 13.

Spring Break

The third full week of March is **SPRING BREAK!** Switzerland County School system will **NOT** be in session the week of March 20. School will resume on Monday, March 27th.

We hope that everyone has a great time visiting family, taking a trip, doing some spring cleaning, or just relaxing around the house.

In addition, Spring Break is a great time to schedule checkups and appointments. By doing so, it will cut down on student absences during testing, which starts at the end of April.
