

WELCOME BACK TO SCHOOL!

JC School

FREE Breakfast and Lunch

We are excited to start a new school year! Once again, ALL JC students will receive FREE breakfast and lunch!

We are very pleased to offer the CEP program and have been renewed for another 4 years!

Students will only need money in their account if they are purchasing a prepackaged snack or a kindergarten student will need money for after-noon milk.

To Mask or Not to Mask...

We are trying our best to keep everyone safe. The state has set many guidelines for schools to follow. In addition, Switz. Co. School Corp. has a "Back to School Plan" located on the corporation website. Please check it out. All the information you need to know about masks, quarantines, being sick, etc. can be found in that "living" document. **NOTE, it is a federal law that ALL persons using public transportation must wear a mask. So, please provide a mask for kids that ride the bus.**

NEW School Corporation App

If you have not done so, download the new "all-in-one" Switzerland County School app. You will find the latest information for any of the 4 schools in the district.

It is easy. Just go to your phones App Store or Google Play and search "Switzerland County School Corp" (School Courier). You should see a picture of the School Crest...and download.

Wanting to prepare for or see if there are any changes concerning breakfast and lunch, want to search for sports schedules, want to check out upcoming school events, podcasts, or job openings...download the app and stay in the loop!

JC Monthly Newsletter

Issue 1

Date: August 2021

Jokes and Riddles:

- Question: How do scientist freshen their breath? Answer: With Experi-"Mints"
- Question: How does a book stay warm at night? Answer: It puts on a "book" cover.
- Question: How did the paper answer the pencil? Answer: "Write, on!"
- Question: What did one pencil say to another pencil on the first day of school? Answer: "Looking Sharp!"

"The expert in anything was once a beginner."

The next PTA meeting TBA ***** Check out our Facebook page

Also Making News

A BIG THANK YOU!!

We want to recognize the Community Foundation of Switzerland County Inc. and Jeff-Craig PTA for their kind donations of a total of \$4000 towards school supplies for our students!

You all are AWESOME!

Volunteers & Food

We love parent volunteers. However, due to recent events around the world, we will not allow parent volunteers this school year. In addition, any food that is brought in for parties/snacks MUST be prepackaged, store bought, and individually wrapped. Thank you for understanding!

Carline Identification Tags

If you frequently use our carline pick-up method, be on the watch...we will be issuing new numbers. The old ones are NO longer valid. More information concerning tags for carline pick-up can be found on the Jeff-Craig Facebook page and will be sent out again soon. **The sign up is for parents using this method at least 3 days a week.**
