## JC School News

### Fall Break

Get those pumpkins ready and plan some family fun! Fall break is right around the corner. This year Fall Break is the week of October 11th. There will be NO SCHOOL Oct. 11-15. We will see students back on Oct. 18th.

With the extra time off and as we approach flu season, remember to be safe...wash hands often and stay in if you are not feeling well. We want to keep everyone safe and healthy.

This is also a great time to make some s'mores and check out the changing colors of the leaves!

### Fall Parties

Reminder:

Jeff-Craig will still have Fall Harvest parties. However, we are still not allowing parent volunteers. Teachers will reach out if they have a need for games, crafts, or food. If you are donating food, please remember ALL items must be individually wrapped and individually packed. Thanks for understanding.

Most parties will take place the afternoon of Oct. 29th.

### Report Cards

The end of the 1st nine weeks is Friday, October 8. For those students that are learning in the building, report cards will be sent home on Wednesday, October 20.

They will also be posted in Skyward on the same date.

Our school informational platform (Skyward) is a great place for parents to check on progress for any student (Virtual or In House). If you have not set up an account or have not been on in a while to update addresses, phone, or other changes, please call the office and someone will be glad to help!

PTA's next meeting...TBA!!

### Fire Prevention

The week of October 4th is Fire Prevention Week. This is a great opportunity to review and practice your safety plans at home. Students will also be able to talk with the Fire Department heroes and check out some of their equipment.

### E-Learning & Parent/Teacher Conferences

October 21st - Switz. Co. School Corporation has built into their school calendar an all day event. To start the day, all students will be working from home. This will be an E-Learning Day for ALL kids. Teachers will be available via phone, Class Dojo, etc. for assistance on school work. In addition, teachers will set up conferences throughout the day to meet with parents. This year, parents have the option to set up conferences online or in person. We hope this helps ease concerns for conferences. Please be watching/expecting more information (letter) to come home offering conference options. Remember, this is important so you can better understand grades, behaviors, Title 1 information, special needs, high ability and more.

### Drug Awareness

National Red Ribbon Week (Being Drug Free) will be celebrated throughout the week of Oct. 25th.

Red Ribbon

We have activities planned throughout the week. This is a great time to have conversations with your child about the importance of not using drugs!
