2. Per state guidelines for outdoor events, spectators and fans need to wear a mask until they are seated and socially distanced with family members. If you are not socially distanced with family members, you will be required to wear a mask. Whenever an individual moves to go to the concession stand, restroom, or entering/exiting, they must have their face mask on.
3. No outside food or beverages allowed (besides competing teams individual water bottles). Concessions will be provided with respect to the Health Department's guidelines of prepackaged/sealed items.
4. Event attendance will be limited to a maximum of 250 individuals which includes team players, coaches, staff, officials, event workers, and fans/spectators. Once we have reached capacity, no one will be allowed to enter.
5. Teams, scorekeepers, announcers, and media will have sections of bleachers blocked off for their use only.
6. For outdoor event seating, fans/spectators are allowed to bring their own seating and sit in the areas designated for chairs. During inclement weather, lawn seating may not be available.
7. All-Season Pass holders will be admitted into the event; however, they must call ahead to reserve a seat.
8. **NO** congregating before/after events, as well as, near the concession stand.

Any individual/s who refuse to abide by these guidelines will be subject to removal and may be asked by host school administration or event workers to please leave the school's premises.

We are all in this together and have to be willing to sacrifice and comply with the small inconveniences such as these in order to safely enjoy and continue to have school sports.
