

Wilma Brown Nursing Scholarship for High School Seniors

The Bethesda Foundation in partnership with the Bethesda Retired Nurses have started a new scholarship fund for Cincinnati senior high school students interested in pursuing a nursing degree.

The scholarship is named after one of our most beloved nurses, Wilma Brown, who for more than 40 years worked at Bethesda North Hospital as the Director of Nursing for the Medical Surgical Units. Wilma truly embodied the spirit of the nursing profession with her kindness and compassion for others.

The **Wilma Brown Nursing Scholarships** are for high school seniors already enrolled and accepted into an accredited nursing school. Scholarship awards are for \$2,000 per student.

Scholarship Requirements:

- A minimum GPA of 3.0 during high school
- A reference from a high school teacher or counselor
- A copy of an acceptance letter from an accredited nursing school
- Write a two-paragraph essay about why you want to be a nurse

To apply visit www.Bethesdafoundation.com. Select About Us in the upper left-hand corner and click on Grants & Scholarships. Create a new account and select the Wilma Brown Scholarship application or scan the QR code.
